Dublished by Anthority.

His Majesty the King, the Premier and the vobles resident near, believing that the Law for the regulation of the Public Market in Honolulu defective in some of its details think it best to end the same, therefore they enact.

That section 6th of Title II of the Mar-Law for the city of Honolulu shall be amendal so as to read as follows:

a It shall be the duty of the said Clerk duly produce, meats, fish, or other articles, for con-sumption except under Licenses granted under In the same paper of the 5th we find the folthe Law of this Kingdom which will permit lowing:sumption as heretofore.

2nd. That section 9th of the said title shall be mended so as to read as follows:

9. It shall be the duty of the said Clerk, once every month and whenever requested so to do by any purchaser in said Market, to inspect and factories, and altogether matters are assuming a examine all the weights and measures and serious appearance. Seu we hear has given out public Market, and make them conform to the his or her weights and measures and make them to conform to the weights and measures estab-

same shall be kept open until 10 o'clock.

5th. All of the foregoing sections shall go into effect on the first day of February, A. D. 1851. Done and passed at the Palace in Honolulu, this 24th day of January 1851.

to Peking some three weeks ago, frighten

he being thrown over or beyond her. The away by the rebels who, it is pretty certain, are accident that befel her was, than one of her tending boat alongside was severely injured from the southern capital. The agents for foreign powers, have not, however, received official imation of Seu's absence from his post.

At Shanghae an edict, alleged to be Imperial has caused some sensation. Opium smokers, by this edict, are allowed five month's grace, from the 6th instant, after which decapitation is to follow every conviction—the families of the decapitated to be sent into slavery-and the decendants for three generations totally debarred from the privilege of competing at the literary exami-

A species of jesuitism is also ordered, and every ten are to be spies on each other,—the con-cealer of the fact rendering himself liable to the same punishment as the principal. Written copies have found their way to Canton, but, as the said edict did not appear in due course in the printed versions of the Peking Gazette, its au-6. It shall be the duty of the said Clerk duly the ticity has been altogether doubted. The an assortment of Furniture, Groceries. &c. Also, lady or gentleman's family for an hour or two, and adjacent to the building designated as the compared with the great population of the counpublic Market, specifically, to each person in the order in which they may apply to him for the purpose of exposing to sale and selling the purpose of exposing to sale and selling the purpose of exposing to sale. And person shall expose to sale any fresh garden sign of creating a feeling of general ill will to-

We are not desirous of creating unnecessary Hawaiian produce to be sold at the places of busi- alarm; but as a measure of simple prudence, we ness of persons so licensed, at or upon any regular stand, in any street or place within one immediate application to the Superintendent of mile from the Public Market, other than in the Trade, for one complete company of the 59th of February next, at 12 o'clock, noon, four barre's Regiment, to act as watchmen about the facto- of brandy, for the benefit of whom it may concern. place or places set apart by the said Clerk, or in ries during the night; allowing the men full libmarket building, under the penalty of ten erry throughout the day. If the local steamers dollars for every offence: it being understood relieved the main body of twenty twice a week, that this section shall not prevent any person taking up a similar number of convalescents to replace those removed, the trip alone would do from hawking and pedling said articles for con- the men more good than all that can be done for them on board the hospital ship.

Our advices from Canton are really alarming. The United States charge d'affaires has advised the Commander of the "Marion" to shift the position of that vessel, from the lower part of

Whampoa Reach, as high up as possible. The "Phlegethon" has been moored off the beams used in weighing and measuring in the that he has compromised with the rebels for a public Market and make them conform to the lac of dollars. This we do not believe; although weights and measures established by the general sum has been demanded, and that a body of befrom another quarter we are informed that that Laws of this Kingdom, at the expense of the tween two and three thousand men sent out owner, and if any person shall refuse to exhibit against the rebels, fraternized with them instan-

Five passage boats were attacked, and made prizes of, only a few miles from Canton, two or shed by law, upon the request of the said Clerk three days ago. The Tea boats are allowed to be shall forfeit for such offence twenty-five dol- pass on payment of a black mail of thirty taels each, and a small quantity of rice. We hear also that a body of strangers congregated round 34. That section 1st of the 3d title of said Mr. Reynvaan's house on Saturday night, and Market Law shall be amended so as to read as there was some apprehension that an attack was then about to take place.

1. The Clerk of the market shall designate one Chang-kia-siang, of King yuen, with his ogy from Capt. Welch, of the bark "Merlin," and I should have allowed my technique to get the better

Capt. Troubridge was only thirteen years of age when he entered the service. As a Lieu-tenant in the "Benbow" we find him taking active part in the bombardment of St. Jean d'Arce, and the other operations on the Coast of Syria. At the age of twenty-three he obtained his first command. Transferred during the same year to "Clio," he arrived in China in the latter part of 1841, and after considerable repairs, that vessel was sent up to Chusan, and formed part of the Published pursuant to Section 5, page 126, of the squadron during the investment of Woosung and

other places on the Yang-tse-kiang.

To state that he obtained post rank at the early age of twenty-four, is to sum up in few words the high opinion entertained of his valuable ser-

The papers are filled with the reports of examination of three seamen named Palmer, Neill and Cousins or Cushings who mutinied no the British barque Kelso, captain Innes, on the 19th of August last, in N. lat. 21 ° 22'—175 ° W. lon. The plan was to murder the captain, mates, steward and carpenter. The plot was discovered to the captain by one of the crew named Lewis, who with another named Stephens and others refused to act with the mutineers. Palmer was shot by the captain and the mutiny quelled. The result of the wound it was supposed would prove fatal. The three mentioned were committed for

and Government authorities for the establish- Recollect the Hawaiian Flag over the balcony .1137 ment across St. George's Channel of a subaqueous telegraph, upon a similar, though much more expensive scale, to that now undertaken between England and France, the promoters of which have, it is understood, after considerable with the French Government, for the exclusive early application should be made. For sale at this interviews and treaty, come to terms this week concession of the proposed electric line from the office.

French coast to Calais. Preliminary surveys have been made for this proposed oceanic communication across the Irish Channel, and the coasts on either side, combined with the submarine site, ascertained by soundings, for the sinking of the wires, are found, owing to the foundation being comparatively free from rocks and shoals, as compared with the straits of Doand shoals, as compared with the straits of Dover, and with treble the extent of channel, to be

rigorous exclusion of such foreign newswapers ment, and all indebted to me, will please settle their as express opinions unfavorable to the Papal Court, or to any of the branches of the administration. All the democratic press of England France, and Tuscany have been long since prohibited; but though the Times, Galignani, and
Journal des Debats, have nominally a free entrauce, not a day passes but one or the other is
trauce, not a day passes but one or the other is excluded. Remonstrances are made in vain, and even now the journals addressed to resident diplomatists, to whom some courtesy was hitherto shown, are devoted to the same severity.
